Glamorgan West held their second walking netball session at the LC2 Leisure Centre, led by coach Frankie, everyone who attended thoroughly

enjoyed. Attendance was such that two teams were fielded.

Feedback from members was positive. No further sessions planned as interest by members has to be assessed.

The indoor bowls event which was sponsored by Bowls Wales, was very successful.

An average of 20 members attended the Bridgend Recreation Centre Indoor Bowls arena on a Saturday morning over 10 weeks. We had wonderful coaches to help us along, giving us tips on techniques as to best get our woods where needed, which was a challenge.

The outdoor bowls season will begin in mid-April, the clubs are desperate for new members, about half of the ladies that came to the indoor bowls are hooked and are already signing up for outdoors. If you are interested please contact me to discuss where local clubs are for yourself.

NFWI 2025 DIARY

The 2025 NFWI Diary will remain at the same price as last year at £7.

Enclosed with this mailing is an order form for the diaries. As we will only be ordering confirmed orders, we would appreciate if you can return the application form with a cheque made out to 'Glamorgan Federation of Women's Institutes' by Friday 10 May 2024.

Enclosures this month

- 1 2025 Diary Order Form
- 2 Table Top games and Afternoon Tea

THE BACK PAGE

On Tuesday 23 January (in between storms I and J) Penarth WI enjoyed a guided tour of the Royal Welsh College of Music and Drama in Cardiff. We were met by our guides, Guy (Communities Engagement Partner) and Laura (Communities

Engagement Apprentice) at the very busy café which is open to the general public. An area had been cordoned off for us and Laura, who admitted she was very nervous as this was her first tour. She gave us a very informed talk on the history of the college, which was originally at Cardiff Castle, but is now based at a very beautiful modern building in North Road. We were then taken upstairs—there are lifts—to the Richard Burton theatre. Just outside the theatre is a glass case with some of Richard Burton's belongings which were donated to the RWCID by his daughter. On entering the theatre we were able to watch some students working with lighting technology for the stage. Some food props were on a table on the stage, mainly large cakes and we were told these were made by the students out of sponge (not the sort to eat) and other materials.

The next area was a corridor of exhibits made by the students which included art, miniature set designs and costumes. From there, we had a fascinating glimpse of the paint and props department, most of which are made out of polystyrene, and a lot of the materials are now recycled. Then on to the wardrobe/costume area where the students learned how to make patterns etc. depending on your course and whether you were a first year student or later. There were some areas we could not go to as the students were in class.

Our tour lasted an hour, we had arrived at 11.30am so at 12.30pm we were back at the café for refreshments. We thought it was the end of the tour but we were lucky to be able to go to the music room and hear some of the students practice. We had a wonderful tour of this lovely college and Laura was excellent. Just a little bit to add, we had informed Laura that we were 'getting on a bit' so we were able to have lots of seats provided en-route.

Three Crosses WI Halloween Hoedown

With a theme aiming to combine Halloween and Line Dancing it was lovely to hold the first Link Event for our group since 2019; and we had a strong attendance of 50 members.

Three Crosses were joined for the evening by Reynoldston, Llanrhidian, Penclawdd and Llandewi with Knelston.

Most dressed in appropriate clothing—check shirts, jeans and boots. After arrival and a welcome from our President, Belinda Hansford, nearly everyone got up to enjoy a session of Line Dancing led by our caller Luke Shrimpton. This involved learning steps, turning round—sometimes amid confusion and much laughter. We danced to both traditional and more modern tunes. A sandwich supper was offered at the break as well as cakes, wine, and other refreshments. This was followed by further Line Dancing and then at the end of the evening the raffle was drawn and prizes awarded.

A vote of thanks was given by Daphne Furneaux from Llandewi with Knelston WI on behalf of the visitors to all those that had made the evening such a great success, and looking forward to their turn next year. The event made a profit which was divided amongst the WIs.

Everyone found it a very sociable way of spending time together, with all the WIs mixing and chatting—and for some it was as entertaining to watch as to take part!

Belinda Hansford, Three Crosses WI

Porth WI had a very interesting visit to the Heritage Park in Trehafod which is situated at the base of the Rhondda. 17 Members experienced going down into the mines in the shaft, it was quite an interesting ordeal, especially wearing their hard hats!!

The walking below was easy on the foot and well lit up, we only experienced one explosion which was all controlled.

The stimulated tram ride at the end was exciting and fun, but we were ready for lunch. The tour guide was very well informed of the history of the Trehafod miners, as well as all the other Rhondda mines, some or most of the members had Fathers and Grandfathers working in the coal mines and couldn't believe what the conditions were like. If you haven't been for a visit it's very well worth it, plus the coffee and lunch in the café.

Elaine Andrews, Porth WI
